

16.0 Videos to learn pattern adjustments in Inkscape

Description

[Back to Beginner's Guide to Inkscape for Sewing table of contents](#)

Now that you know the basic functions of Inkscape, you can expand your learning to use advanced functions to make pattern adjustments.

[Marta G. – @techiesewing on YouTube](#) has many videos to help you learn.

These videos on Marta's channel are very helpful:

- [Inkscape Shortcuts for sewing patterns: work faster and sew more ? – YouTube](#)
- [Trace a sewing pattern with Inkscape | Easy and precise](#)
- [Layout sewing pattern pieces in Inkscape: not zero waste but close!](#)
- **Digital Fit Playlist** with many specific pattern adjustments: height adjustments, blending sizes, full tummy, full seat, sway back, full bicep, and dartless full bust adjustment:

- Marta's overview of the new features of Inkscape 1.3 that make working with patterns easier is especially helpful if you have used previous versions of Inkscape, and shows how easy many adjustments can be in Inkscape now:
[Inkscape 1.3 is awesome on so many layers](#)

Sheredith H.'s channel [Projector Sewing on Youtube](#) has a video that shows the basic three tools for pattern alterations: select tool, pen/bezier tool, and node tool. After showing these tools, the video shows how to blend sizes on a pattern and other useful skills:

There is also a [playlist](#) of that includes videos on creating a mockup in Inkscape, and doing full and small bust adjustments:

Click three line button in upper right to navigate through the videos in this playlist, or click direct link to playlist here:
